ELITE

Curved Indoor Stair Lift

Made In USA

BRUNO

ACCESS ALL LEVELS OF YOUR HOME

Experience the ultra-smooth ride of a Bruno Elite curved stair lift. Made in USA and handcrafted for a precise fit, the Elite's custom rail maximizes space and blends seamlessly with your staircase.

Bruno's flagship stair lift, the Elite is built for lasting independence at home - featuring high-performance materials, heavy-duty capacity and a Limited Lifetime Warranty.

NORTH AMERICA'S PREMIER CURVED STAIR LIFT

Handcrafted for Your Home
Elegant, custom-made rail delivers a precision fit and smooth ride while the covered gear rack provides a clean, graceful appearance.

Easy to Use
Armrest control glides the stair lift up and down. Includes two wireless remotes.

Customizable
Change seat height, footrest height and armrest width for optimal fit.

Saves Space
Vertical rail maximizes open space on steps. Armrests, seat and footrest fold flat when not in use.

Dependable
Battery-powered design delivers top-to-bottom operation even in the event of a power outage.

Peace of Mind
Obstruction sensors and seatbelt enhance safety during travel. Swiveling seat locks in place for safe exit away from stairs.

MADE IN USA

Bruno stair lifts are engineered and manufactured in Wisconsin. Each Elite curved rail is handcrafted to ensure an optimal fit to your staircase and exceptional ride quality.

“I love my Bruno stair lift. It works so smoothly. **It is truly a blessing.**”

Sharon W.
Bruno Stair Lift Customer

AVAILABLE OPTIONS

Select from four additional upholstery color options to blend your stair lift perfectly into your home’s decor.

Add extended rail positions to park the stair lift away from the steps or out of view, or an optional mid-park charging station for stairs with middle landings.

Eliminate the need to lean over with a power folding footrest. Simply fold the seat and the footrest will automatically fold, too.

Choose the power swivel option to automatically rotate your seat with the push of a button.

Opt for a wider seat or larger footrest to further customize your Elite stair lift chair.

Not all options shown.

TECH SPECS

Lift Capacity:
400 lb (181 kg)

Standard Seat Size:
18 in wide x 15 in deep (457 mm x 381 mm)
