ALL-WEATHER RELIABILITY

Enjoy your outdoor living spaces with the Bruno Elite straight outdoor stair lift.

Designed to withstand varying climates, the Elite outdoor stair lift features weather-resistant materials, easy operation and high-performance engineering.

EASY OUTDOOR ACCESS

Weather-Resistant Reliability
Engineered to withstand extreme climates and temperatures (0˚F - 125˚F, -18˚C - 52˚C), the Elite is designed with marine-grade materials to deliver year-round performance.

Saves Space
Vertical rail maximizes open space on steps. Armrests, seat and footrest fold flat when not in use.

Dependable
Battery-powered design delivers top-to-bottom operation even in the event of a power outage.

Easy to Use
Armrest control glides the stair lift up and down. Includes two wireless remotes.

Comfortable
Generously sized seat is adjustable in height. Footrest height and space between armrests are also adjustable.

AVAILABLE OPTIONS

Bruno's Elite outdoor straight stair lift provides an optional wider seat and larger footrest, ensuring a comfortable fit for users of all body types.

Not all options shown.

★★★★★

"I love my Bruno stair lift. It works so smoothly. **It is truly a blessing.**"
